MEMORANDUM FOR: Deputy Assistant Director, Current Intelligence
SUBJECT: Inclusion of FBI and AEC on List of IAC Agencies
to be Notified of Critical Information
REFERENCE: Memorandum from [redacted] dated 23 October
(subject as above)

25X1A9a

You requested "advice and guidance" as to the problems discussed in reference memorandum. This Office has reviewed that memorandum, CIA Regulation 110-50-11, and copies of Standard Operating Procedures in force in G-2, CNI, Air Force, and the Watch Committee. On the basis of this review, it is recommended that both the AEC and the FBI, as IAC agencies, should be included on proper current alert lists. Therefore, it is recommended that:

1. CIA Regulation 110-50-11, paragraph (2), be amended by striking the word "normally" and adding:
 - (e) Federal Bureau of Investigation-(proper telephone numbers)
 - (f) Atomic Energy Commission - (proper telephone numbers)
- In this connection, the Regulation would perhaps be more useful if an "off-duty" and "on-duty" contact for each agency were listed.
2. G-2 and Department of Air Force Directorate of Operations amend their SOP's by adding AEC.
3. It be left to the AEC whether or not it maintain an on-duty watch officer.
